Addendum to the original agreement between the Greendale Football Booster Club (GFBC) and the Greendale Panther Athletic Booster Club (GPABC) after the 1999 football season.

The Greendale Varsity Football Coach and Greendale Panther Athletic Booster Club have been granted authority to run a fall fundraising event. We hereby authorize an increase in the aforementioned budget to \$12,000. In the event that the fundraising event does not generate at least \$4,000, the budget will revert back to the original agreed upon amount, plus funds raised.

This has been reviewed and accepted by an official board resolution by the Greendale Football Booster Club at their May 6th, 2002 meeting. To become effective, this must also be reviewed and accepted by an official board resolution of the Greendale Panther Athletic Booster Club.
